## What is "Back Pack Buddies" ?

BPB is a hunger prevention/ nutrition program in which local children will receive healthy, kid friendly foods every weekend throughout the school year.

## WE NEED YOUR HELP!

Families are struggling in our area with over 85 families (170 kids) applying for this program. Unfortunately we won't be able to serve everyone, but we'd like to include as many children as possible (based on their need).

We estimate that the weekly supplies will be \$5 per week for each child (or roughly \$150 for the school year).

**PLEASE CONSIDER SPONSORING A CHILD OR DONATING TO THIS PROGRAM!**

## **A \$150 Sponsorship**

**Will Provide
